Volunteer Interests:

The BFC has been a vital force in Bedford for over 20 years, thanks to the ongoing efforts of our members who volunteer their time, skills, and services. Volunteers are our greatest asset and always needed and appreciated! Belonging to the BFC is a wonderful way for both your children *and* you to meet other people in the organization—and lending a hand on occasion is a great way to do just that!

The BFC is a volunteer-run organization, led by a Director and an Executive Board. Each of our committees is made up of at least 3 individuals, one of whom is a Chairperson, so even parents who work outside the home are have opportunities to contribute in some way.

Please indicate any areas below in which you might be interested in volunteering. Once your membership is processed, you will be contacted a member of the Executive Board to welcome you to the BFC and to answer any questions you may have about the various committees and volunteer opportunities.

*If you are a **renewing member** and you are (or want to be) involved on any committee(s) or serve on the executive board, please indicate such below. This will help keep our records up-to-date. Thank you.*
